# How the Trees Got Their Voices

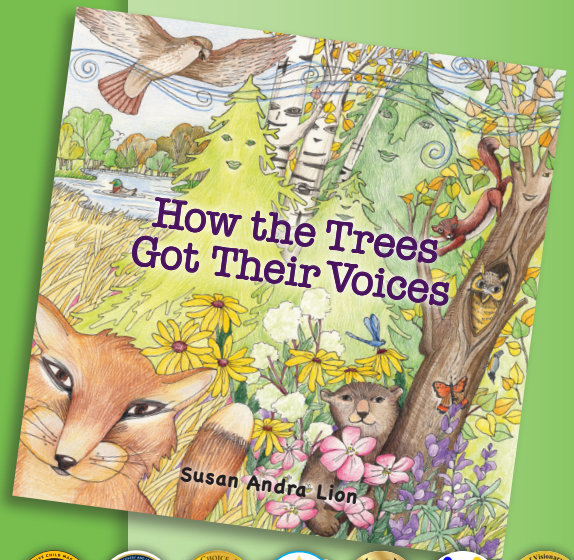

by Susan Andra Lion

Hardcover: 34 pages

ISBN 978-0-9832687-5-8

Retail: \$16.96

Susan Andra Lion's marvelous tale about camping with a group of girls and the accompanying tale of trees, nature and also the relationship of living things within a forest ecosystem. Learn how Mother Earth gave the trees their own special and unique voice in this highly visual story book that not only presents a fascinating story that children, teens and adults will all enjoy.

This highly engaging book also

tells a second story about animals, plants, birds and the Earth itself. Children will learn about the integrated way in which Earth's inhabitants live in relationship to each other, and learn the value of respect for each form of life. The unique and marvelous book helps its readers to regard their world as a complex tapestry of life and living things.

Readers will be delighted by the thumbnail descriptions that surround the outside of each page, inviting them in and helping them learn about the world of the forest. This medium of a two-level story creates a unique, shared experience between children and the people who read to them because they are sharing the visual experience of this wonderful story and forest world together.

*"This lovely account of a spiritual path inspired by a dyingman is not only an inspiring story, it is also a gentle guide for the everyday journey of the soul. The author leads the reader along the path of soul nurturing and trusting the soul's voice into deeper awarenesses of the oneness of shared experience and the soul's movement from duality to unity."*

### PRAISE FOR THE WAY OF THE SIMPLE SOUL

*"A spiritual tour de force that is a must-read for anyone who is looking for a higher self."*  
Liliyana Shadowlyn, The Faerie Review

*"I really enjoyed reading this book! The author, Catherine Grace Landry has a way with words, hypnotic and mesmerizing. This is a must buy for those who are beginning to question if there is indeed more to this life. This book has many enlightening anecdotal experiences that help the reader grasp a greater understanding of their own journey into self discovery. No need for a glossary of spiritual term references, this was written for the everyday person. Two thumbs waaaaay up!"*

*"I highly recommend this book to anyone who is interested in connecting with his/her deeper purpose. Catherine Landry shares with us her own fascinating journey of reconnecting with her soul in a heartwarming and relatable manner. Her literary voice is compelling. It has already helped me understand what my soul yearns for me to do in this lifetime and also how I can better perceive reality through the eyes of my soul. Hope you all enjoy the book as much as I did!!"*

# Book Two: The Way of the Lightkeeper

By Catherine Grace Landry

Publisher : Satiama Publishing; First edition (December 26, 2019)

Paperback: 205 pages

ISBN-13 : 978-0-9972825-4-2

Retail: \$18.99

The Way of the Lightkeeper guides us into the deepest recesses of our hearts where we meet our Soul's luminous connection to the Source of All – The Source of Light. This spiritual liberation book is for those who sense the greater oneness of all existence and are searching for a personal, spiritual development path to the Light. It is through the portal of our heart that we find the way beyond intellect, rules and ritual to lasting personal liberation. Who has not wished to feel a constant unshakeable force within our inner self that never strays from our truest knowing? Who has not desired to flow steadily with all the elements around us, to have them work through us and within us, to mold our bodies, flirt with our minds, and fire our passions? Yet never mis-step, mis-take, mis-use what and who we are. There is such a force within us. We call it the Light. This is the destination of our quest for spiritual liberation, the place we are seeking to find and hold and be as we grow our soul through experiences in this lifetime.

# Book Three: The Way of the Grace-filled Heart

By Catherine Grace Landry

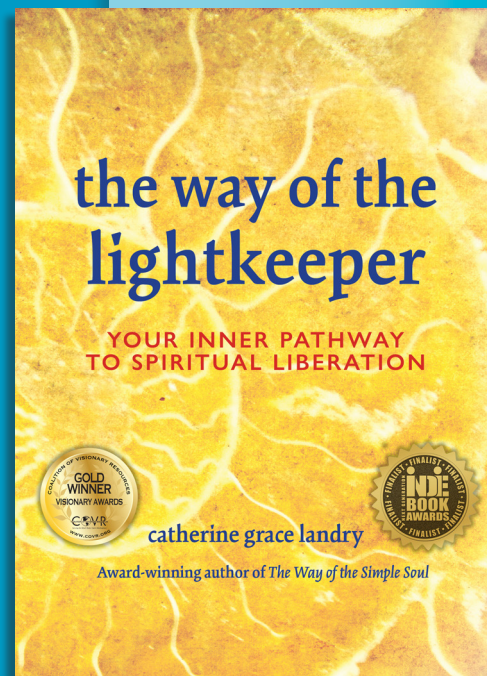

Publisher: Satiama Publishing

Paperback: 194 pages

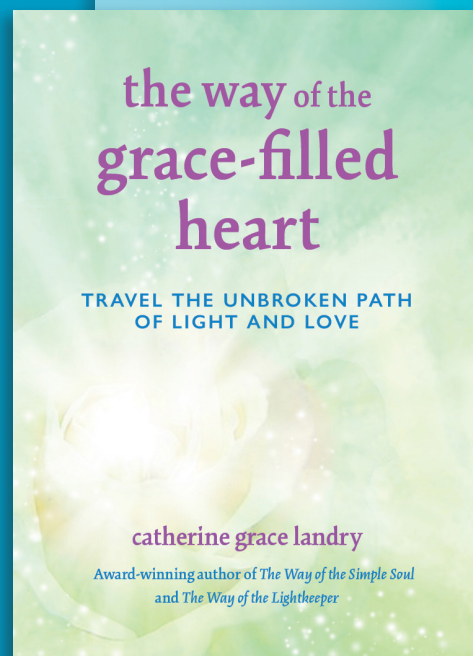

ISBN-13: 978-1-7349898-5-4

Retail: \$14.95

Beyond our quest for meaning, purpose, or faith there is a space without time or dimension that is a pulsing pinpoint of knowing. It is the deep river of infinite grace. Grace fills our life with love and wisdom. It prompts our hands to be outstretched, our words to be spoken, our thoughts to be heard, our emotions to be expressed. For what is grace but the Light of our Source sent to guide our hearts in the way of its own Perfect Love. Entering the vast inner planes of our heart we find ourselves in an infinite Universe. Here lies the path of Oneness to our Source.

Your guide on your amazing journey of spiritual liberation, Catherine Landry grounds your path in actionable practicality for living in joy in this complex maze of a world. A masterpiece of the mind body spirit and new thought genre, this book is the second in The Way trilogy, beginning with Landry's first book, The Way of the Simple Soul, and concluding with The Way of the Grace-filled Heart.

# The Essence of Sound:

Full Spectrum Vibrational Healing for  
the Meridians, Chakras, Auric Field &  
Figure Eight Energies

By Evelyn Mulders

Publisher: Satiama Publishing; First edition (April 20, 2020)

Hardcover: 343 pages

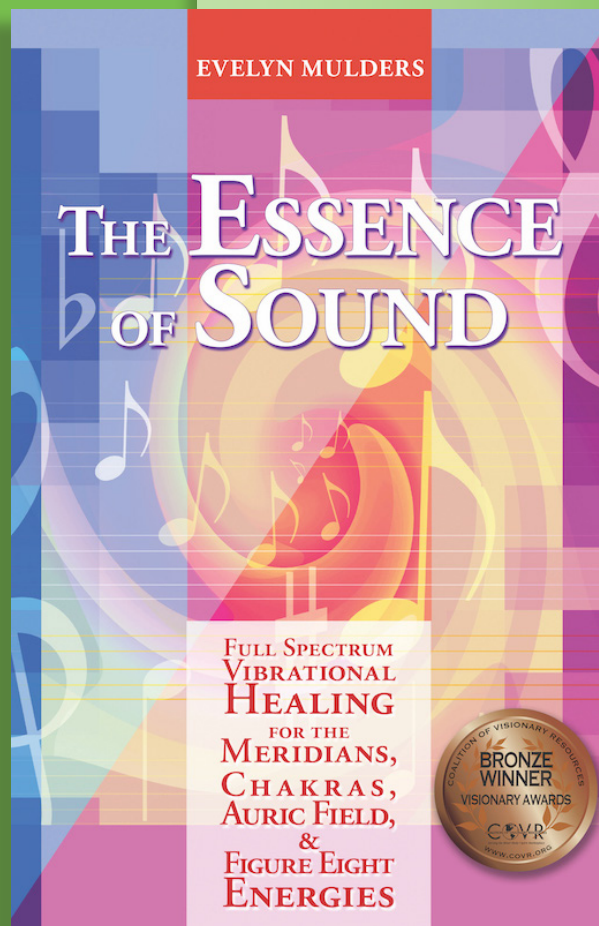

ISBN-13: 978-0-9972825-6-6

Retail: \$29.95

The Essence of Sound is a welcome, comprehensive, and highly sophisticated guide to the body's energy systems. It teaches you to know how to use sounds, herbs, crystals, gemstones, aromas, colors and affirmations to orchestrate the energies of your meridians, chakras, and aura into a beautiful symphony. Beyond this, it integrates the body's complex energy systems into an encyclopedic guide we can all use and understand.

Energy Medicine is the medicine of the future and sound has been predicted to be the healing modality of the 21st century. This book blends both of these predictions to offer the reader a unique understanding of how Energy Medicine has the potential to enhance health, vitality and personal growth. The sole purpose of this book is to help the reader take the mystery out of understanding the three-dimensional aspects of the energy body and bring awareness to the healing potential of nature's resources through the use of vibrational remedies.

Many have described this book as an encyclopedia of Energy Medicine.

*"This book has so much information and delves deep into meridians, chakras, and the auric field. The author also speaks about using the energy of sound and her unique blend of essences to promote balance and healing in body, mind and spirit. I thought I knew a lot about the energy systems of the body, but this book gave me much more information about each of these energy systems."*

# The Sky Lore Anthology

by Julie Loar

The forty articles contained in this anthology originally appeared in issues of *Atlantis Rising Magazine* from 2001 until 2019. For many years, Julie Loar's column in *Atlantis Rising Magazine* was the clearest, most reliable, and most readable source of ancient sky lore to be found in print or on the web. Her thoughtful presentation of historical and mythical detail, informed by extensive in-depth personal research into classic astrology, made her an authority not only to the astrologically-minded, but to anyone interested in the forgotten riches of our ancient, and little understood, past. The articles in this two-volume anthology are arranged by category, or topic, and not chronologically as they first appeared in *Atlantis Rising* over two decades. Author Julie Loar is the award-winning author of *Goddesses for Every Day*, *Messengers*, *The Hidden Power of Everyday Things*, and *Tarot & Dream Interpretation*.

## Volume One: Ancient Sky Watchers & Mythic Themes

By Julie Loar

Publisher : Queen of Cups, LLC

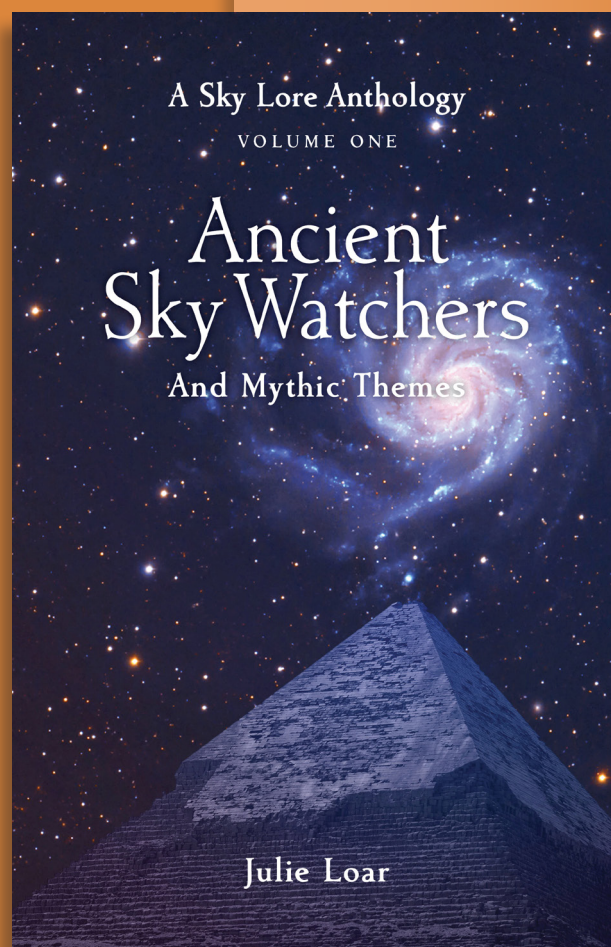

Paperback: 350 pages

ISBN-13 : 978-1-7923351-4-3

Retail: \$16.99

Since the beginning of man's existence here on Earth, our ancestors have studied the skies for clues and stories that helped them to understand who we are, why we are, and where we are. They scanned the heavens and crafted stories and explanations for the physical world around them, including the night sky with its patterns and mysteries. This remarkable anthology offers 40 articles on ancient astronomy, sky lore mythology, ancient zodiacs, star lore, and modern space discoveries, all by esoteric scholar Julie Loar. Explores the topics of ancient sky watchers, prophecy, mythic themselves, zodiacs, and some of the latest discoveries in astrophysics!

These articles were previously published in *Atlantis Rising Magazine* between 2000 and 2019 and are assembled here for the first time. This is the first of two volumes. A fascinating read, to be enjoyable in small and digestible bites, or consumed as a big and hearty banquet.
