The Outer Temple of Witchcraft

Circles, Spells, and Rituals

CHRISTOPHER PENCZAK

A new edition of an award-winning entry in the bestselling Temple of Witchcraft series. As you enter the heart of witchcraft, you find at its core the power of sacred space. Now *The Outer Temple of Witchcraft* helps you manifest the sacred in the outer world through ritual and spellwork. The book's twelve lessons, with exercises, rituals, and homework, follow the traditional Wiccan one-year-and-a-day training period.  As water changes, so can you. You are as deep and pure, as cleansing and powerful, as the ocean. Connect with that power within you now, and feel the strength of your spirit.

Still and Strong
 The mountain is still, and strong, and eternal, and so is your spirit. Connect with the part of yourself that is the mountain, and remember that you can rejoin the divine stillness that awaits you within.

In This Moment
 There is no need to wish that anything be different from how it is in this moment. Open to the awareness of what is, and let there be no judgement, no criticism. In this place of acceptance, power resides.

Within the Silence, the Spirit Can Be Heard
 The voice of your spirit will tell you what you need, and this voice can be trusted as it comes from your higher self. Make time for quiet, for it is then you will be filled with the wisdom of the soul.

Let It In
 Whatever you are pushing away, let it in. Allow yourself to feel whatever it is you have resisted. So much energy will be freed, and this energy will create courage, calm, and ultimately, change.

THE LIGHT OF TRUTH

The light of truth that emanates from your heart can dissolve all fear and apprehension. Trust in life, proceed with confidence, and all will come together or be resolved in the most positive way for everyone. Repeat this mantra over and over: "I follow my truth. I trust in life."

CREATIVITY

Creativity dances through the space between thoughts. It comes spontaneously, effortlessly. Surrender expectations — play, explore and have fun! Let your heart be your canvas. Paint the sky, collide in music, fall into poems. Make this your mantra: "I am a clear channel for my higher self to flow through."

NOURISH THE SOUL

Nature's healing energy is sensual and magical. Let it heal you and awaken the sensual and magical by spending time among trees, earth and sky. Feel the river of life flow through you and know you are a great ocean of light.

SOMETHING IS COMING TO LIFE

All things exist within all things. As infinite breaths lie dormant within each breath, all of creation lies dormant within each thought. Creation is the essence that gives life to matter, through thought, will or a hidden desire of the soul. Positive news is forthcoming — something is about to manifest.

FORGIVENESS

You are who you are because of your history. Every experience has helped you grow. Karma can be released through forgiveness and release. Holding on to disappointment serves no positive purpose. Wonderful happenings are emerging. Openly embrace possibility and feel the light of your beautiful soul flow through.
