- ✓ Keep space dedicated to all of the Holidays
- ✓ Offer customers variety
- ✓ Increase your greeting card revenue

Here's what others are saying...

"We have never really carried Halloween cards and the fact that we sold as many as we did proved this program a good investment. The table-top spinner display enabled us to co-locate the cards with our seasonal display, so it was a great addition."

Wholesale Terms & Conditions:

This is Tree-Free's exclusive wholesale customer catalog, for retail accounts only.

Your store must have a physical shop, with or without an online website, to be eligible for a wholesale account and remain a reseller of our goods. Selling on third party websites is strictly prohibited. All retailers are vetted to ensure fit and to confirm a legitimate business. We reserve the right to refuse applications that may not be appropriate or refuse orders if retailers are in violation of policies outlined below.

Selling on Third Party Sites

To remain a reseller of our goods, the retailer must sell direct to consumer through a physical shop with or without a website owned & operated by the retailer and their company. Selling our goods in the following ways is prohibited and may result in us refusing future orders:

- Selling on third-party sites (Amazon, Etsy, Ebay, Daily Deal Sites, etc.)
- Drop-shipping sites (Buy.com, Overstock.com, etc.)
- Classified sites (Craigslist, Facebook Marketplace, etc.)
- Selling in bulk to B2B accounts, or other wholesalers.

Reproductions, photocopies, resales, and using artwork for personal or commercial promotion are strictly prohibited without written permission or an art license for Tree-Free Greetings.
